### **DIANE L. PRICE, LEED AP**

Project Manager

Diane Price, joined PIKE - McFARLAND - HALL ASSOCIATES, INC. in 2014 and serves as Project Manager.

In 1983, Diane joined Wilkins, Wood, Goforth Associates, Ltd. in Florence, South Carolina as a Project Manager. She remained with Wilkins, Wood, Goforth Associates, LTD. for 23 years, gaining vast experience of educational facilities, correctional facilities, medical facilities and numerous renovation and addition projects. In 2006 the Florence firm was acquired by Moseley Architects base out of Richmond, Virginia and Ms. Price joined the new Charlotte office as Senior Project Manager.

Recently joining Pike - McFarland - Hall Associates, Inc., full-time, Diane brings 26 years of project coordination experience and significant experience in the design and construction of over 30 educational facilities, several correctional facilities, including a \$68,000,000 federal correctional facility and the historic preservation of Colcock Hall in Charleston, SC, which now houses the school's President and staff.

Diane will participate actively in programming and design and will monitor and coordinate the work of the consultant team on an ongoing basis.
