

GREGORY T. McFARLAND, AIA

Secretary / Treasurer

Gregory T. McFarland, AIA serves as Secretary/Treasurer of PIKE - McFARLAND - HALL ASSOCIATES, INC. with over 10 years experience in construction related fields, including architecture, civil & structural engineering, and construction observation prior to the establishment of PMH.

In 1983 Greg began his pursuit of an architectural career, working for a small firm in Shelby, NC where he gained experience in all phases of services, including design, production and administration along with building client relations. Beginning with single family residential, he also worked with faith based facilities, retail and industrial structures.

Prior to receiving his Bachelor of Arts Degree in Architecture, Greg also gained experience working as a Contractor's Assistant, and in production with a Civil/Structural engineer in Charlotte, NC, through which he acquired a multi-faceted knowledge and understanding of all areas of architecture and construction.

Greg relocated to Myrtle Beach in 1987 and accepted an offer to join a medium sized architectural firm in which Mr. Pike was instrumental in extending. His experience was broadened into educational, commercial and hospitality venues, with responsibilities in production, design and presentation. During his tenure with this firm Greg honed his rendering abilities. Four years later he accepted a position with Wilkins, Wood, Goforth, Pike Associates, Ltd. as Designer and Production Coordinator. He brought to the firm his ability to provide "in-house" produced colored architectural renderings, which is an invaluable asset in illustrating designs to Clients. As of the establishment of PMH he and Mr. Pike have built an on-going association of over twenty-five years.
