

JOSEPH C. PIKE, AIA

President

Joseph C. Pike, AIA serves as President of PIKE - McFARLAND - HALL ASSOCIATES, INC. and possesses vast architectural experience involving a variety of building types varying in complexity and scale. He acquired over nineteen years of experience in project coordination and project management prior to the establishment of PMH.

After receiving his Bachelor of Architecture degree in 1979, Joe accepted a position with a small architectural firm in which afforded the opportunity of experiencing the full realm of architectural services. His apprenticeship was served and knowledge of educational, faith based, industrial, financial and office facilities was acquired.

In 1985 Joe relocated his family to Conway, SC and accepted a position with a medium size architectural firm in Myrtle Beach, SC and subsequently was appointed to administrate personnel and the production of services for projects commissioned by that office. In addition, Joe served as Project Architect on the educational facilities in which the firm provided services for and gained extensive experience of hotel, condominium and other hospitality venues.

In 1990 Joe accepted an offer to manage the operations of the Garden City Beach, SC, office of Wilkins, Wood, Goforth, Associates, Ltd. which was renamed Wilkins, Wood, Goforth, Pike Associates, Ltd. upon his arrival. Under his direction, the office realized revenues approaching six folds during his seven-year tenure with that office. Building types for which Joe orchestrated architectural/engineering services for included educational, faith based, resort development, multi-family, recreational, financial and office facilities including both public and private sector clientele.
